The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF CalWORKs YOUTH JOBS FUNDING ALLOCATIONS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve Performance Incentive-Net County Cost (PI-NCC) funding allocations in the amount of \$4,500,000, of which \$4,372,980 will be used for contract service providers and \$127,020 will be used for Community and Senior Services (CSS) administrative costs, as indicated on Attachment A for provision of CalWORKs Youth Jobs program services, effective date of Board approval through September 30, 2004.
2. Authorize the Director or his designee, to negotiate and execute contracts, in substantially similar form to the attached contract (Attachment B), after County Counsel approval as to form, with CalWORKs Youth Jobs providers, listed on Attachment A, for the provision of CalWORKs Youth Jobs program services, effective date of Board approval through September 30, 2004. The cost of the contracts and administrative costs are fully financed by CalWORKs PI-NCC Funds from the Department of Public Social Services (DPSS).
3. Authorize the rollover into FY 04-05 of any unspent PI-NCC funds allocated for Youth Jobs start-up activities in FY 03-04. The total maximum CalWORKs Youth Jobs funding from the date of Board approval through September 30, 2004 shall not exceed \$4.5 million.
4. Authorize the Director or his designee, to execute contract amendments in substantially similar form to Attachment C, to extend the term of the contract and/or to increase or decrease contract amounts based on contractor performance and availability of funding provided that: (a) the amount of change

does not exceed 15% of the original contract amount; (b) approval of County Counsel, the Chief Administrative Office (CAO), and DPSS is obtained prior to any such amendment; and (c) the Director of CSS confirms in writing to the Board of Supervisors, the CAO and DPSS within 30 days after execution that such amendments have been executed. This action assures full expenditure of funds and is consistent with the Board's policy requiring review of contractor performance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

CSS is the lead agency for the CalWORKs Youth Jobs Program (Long Term Family Self-Sufficiency Project #23) and receives CalWORKs Performance Incentive Funds from DPSS to administer the Program.

The CalWORKs Youth Jobs Program is a paid work experience program offered during the youth's school break and is designed to help CalWORKs youth move down the path to self-sufficiency and to enhance the Workforce Investment Act (WIA) Youth Program.

Continued Funding for CalWORKs Youth Jobs

On June 23, 2003, DPSS presented a board letter that included a recommendation for the allocation of Performance Incentive funds. As your Board has identified maintenance of the Youth Jobs program as a major priority, one of the funding recommendations forwarded by DPSS was the funding of the CalWORKs Youth Jobs Program for 2004 in the amount of \$4.5 million for the provision of Youth Jobs services for the summer of 2004.

Your Board subsequently approved DPSS' \$4.5 million funding recommendation with the provision that up to \$450,000 would be allowed for preparatory/start up costs but stipulating, per Supervisor Burke's motion, that start up costs would be taken from the initial \$4.5 million, and not be in addition to that amount. Your Board further stipulated that preparatory/start up costs activities could commence in February 2004.

Performance Measures

The CalWORKs Youth Jobs Program performance evaluation is aligned with the County's Performance Counts Initiative. The standard of performance measurement for program effectiveness is indicated by youth achieving one of the following positive outcomes:

- Youth remained/returned to school;
- Youth obtained high school diploma/GED; or
- Youth found unsubsidized employment.

Implementation of Strategic Plan Goals

The recommended actions support the Countywide Strategic Plan Goal 1 Service Excellence, Strategy 1 to provide the public with easy access to quality information and services that are both beneficial and responsive and Strategic Plan Goal 5, Children and Families' Well-Being, Strategy 1, to implement integrated service delivery initiatives to demonstrate substantial progress toward achieving improved outcomes for children and families.

FISCAL IMPACT/FINANCING

Funding for the CalWORKs Youth Jobs program is made available by your Board's June 23, 2003 adoption of the consensus recommendations of the Stakeholders, consisting of representatives from DPSS, the Chief Administrative Office (CAO), New Directions Task force, Public Social Services Commission, and the Community Planning Group.

The projected cost for the CalWORKs Youth Jobs program for the term of the contract (date of Board approval through September 30, 2004) is \$4,500,000, fully funded with PI-NCC in the amount of \$450,000 for FY 2003-04 and \$4,050,000 for FY 2004-05. A breakdown of the costs is provided below:

7 LWIAs (other than the LA County WIA) (Attachment A, Page 1)	\$ 2,806,323
Los Angeles County Workforce Investment Area Service Providers (Attachment A, Page 2)	\$ 1,566,657
CSS Administration/Overhead	<u>\$ 127,020</u>
Total	\$ 4,500,000

There is no impact on the County general fund. Funding has been included in the Department's FY 2003-04 Adopted Budget and have been included in the Departments FY 2004-05 budget request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Youth Jobs offers a preventative intervention strategy designed at encouraging youth who are currently in school to remain in school and at the same time, enable those who are out-of-school to experience the opportunities that further education can open up for them. Youth Jobs provides youth with tangible real life exposure to the world of work

and because it is tied to an educational component through basic skills assessment and remediation, youth realize that the key to their future success lies in education. Youth Jobs has been in existence since 2000/01.

The CalWORKs Youth Jobs program aims at helping teens become self-sufficient adults by providing paid work-based learning through employment opportunities during their school breaks coupled with basic skills remediation, career planning, and employment readiness skills training. Following completion of the program and to the extent WIA Youth Program funds are available, the CalWORKs youth are encouraged to participate in the WIA program.

The intent is to ensure that CalWORKs eligible youth receive services, not otherwise available, that will expose them to the world of work and which are also linked to educational learning. Eligible youth are teens ages 14-19 who are members of a family receiving CalWORKs cash assistance, with priority given to pregnant and/or parenting teens.

In an effort to ensure seamless service delivery and coordination between the WIA and CalWORKs programs, the WIA Youth service providers, as well as the other seven Local Workforce Investment Areas (LWIAs) in the County, are used for provision of CalWORKs Youth Jobs program services.

The funding levels for Los Angeles County's eight (8) LWIAs were established based on each LWIA's proportionate share of the total number of teens receiving CalWORKs assistance in the County (based on DPSS' most current data).

The Los Angeles County Workforce Investment Board (WIB) approved the allocation of the anticipated funding allocations on January 8, 2004.

There is a Memorandum of Understanding (MOU) between CSS and DPSS to provide CalWORKs Youth Jobs services. The MOU is automatically renewed for successive one-year periods contingent upon the availability of funding. DPSS has reviewed and concurs with the recommended actions.

CONTRACTING PROCESS

CSS released a Request for Proposal (RFP) on February 10, 2000 to solicit service providers for the CalWORKs Youth Jobs program in the Los Angeles County Workforce Investment Area. The sixteen (16) service providers on Attachment A are the successful applicants who were previously approved by your Board to provide program services.

Attachment D provides information about each contractor's status with regard to minority and women-owned business enterprises.

Youth Jobs Contractors in the LA County WIA and the remaining seven (7) LWIAs have been notified of the continuation of CalWORKs Youth Jobs funding for the summer of 2004 and of Supervisor Burke's motion to allow for preparatory/start-up activities as early as February, 2004. Start-up activities cannot begin until CSS' funding recommendation board letter is filed and approved by the Board of Supervisors.

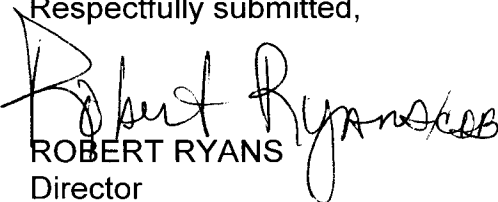

Monitoring Requirement

CSS will ensure that all approved contractors are monitored relative to contract compliance and administrative, programmatic and fiscal requirements. CalWORKs Youth Jobs is a performance-based contract and all service providers are required to submit timelines and costs associated with completion of tasks in the statement of work. All providers are monitored at least once a year both programmatically and fiscally, with a follow up visit provided to ensure continued compliance. All service providers will be monitored programmatically during the contract period of July 1, 2004 through September 30, 2004. Additionally, all contracts with Youth Jobs contractors in the LA County WIA and the remaining seven (7) LWIAs provide for sanctions if performance measures are not met.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Continuation of the CalWORKs Youth Jobs program for this short period will ensure that low-income and pregnant and/or parenting teens continue to receive valuable services which will enable them to attain self-sufficiency.

Respectfully submitted,

ROBERT RYANS
Director

The test must be administered by qualified examiners and the results must be promptly placed in the youth's case file. The test results must indicate if the youth is performing in these areas at or below the standard for the youth's grade level. School records may also be used to establish reading/math skills.

Individual Service Strategy (ISS)

All services provided must be documented in the Individual Service Strategy (ISS) to reflect needs and goals, as determined by individual assessment. The ISS is a universal tool that outlines the progress and services to be provided to each youth. It will require continuous updating and must accurately reflect and measure the individual's current progress while enrolled in the program. The County has developed an ISS for standard use, and any modification to the prescribed form must be approved by the County. Please note that only County issued ISS are acceptable.

Mandatory Services

The Contractor will be required to provide youth enrolled into Youth Jobs with some or all of the following services, as appropriate:

a) Summer Employment Opportunities/Paid Work Experience

The Summer Employment Opportunities component offers youth paid summer/year round work experience incorporating SCANS. The type of work activities offered to youth should achieve the following goals:

- Build and refine a strong work foundation and employment competencies,
- Experience in the discipline of work, and
- Gain an appreciation of the connection between work and learning which is critical to a long-term attachment to, and success in a rapidly changing labor force.

No payments to participants shall be made **until youth are placed in jobs**, and shall be allowable only for actual hours worked or spent in remediation courses. Thus, time spent in orientation and/or assessments cannot be paid.

b) Support Services

Contractors will cover the cost transportation and DPSS will cover the cost of child-care for recipients of CalLEARN.

c) Basic Skills Remediation

All youth who are enrolled in Youth Jobs must be tested to determine their academic grade level in reading and math. Those who test **at or below 8.9 grade level (below the 9th grade level) are basic skills deficient and must participate in a minimum of forty-five (45) hours of paid basic skills remediation.** Moreover, remediation must be appropriate to the area of deficiency.

The type of basic skills remediation could be one of the following:

- summer school;
- classroom training, which may occur on-site;
- tutoring;
- workshops;
- computerized training;
- and/or other activities, subject to prior approval of the County.

All participants who receive remediation must **also be post-tested.**

d) Career Planning

These activities expose youth to various career options, through guest speakers, job shadowing, and learning the use of Labor Market Information, etc.

e) Employment Readiness Skills

These activities utilize the basic skills that assist an individual to find and sustain employment, such as, resume writing, completing an application, interviewing

techniques, how to dress, punctuality, regular attendance, demonstration of positive attitudes/behaviors, completing tasks effectively, etc.

Measurable Indicators

The goal of participation in the Youth Jobs Program is to guide participants down a path to a successful transition into the workforce, continue education and/or skills training. Based on the needs of the individual participant, any of the following benchmarks may be achieved through participation in Youth Jobs.

- Remained In School
- Returned to School
- Completed Major Level of Education
- Entered Military Service
- Entered Unsubsidized Employment
- Entered unsubsidized/subsidized training program/apprenticeship.

Services reflected on the ISS must document how participation in the Youth Jobs Program has either reached or set the participant to achieve one of the above measurable indicators:

V. WORKSITES

In selecting worksites, the Contractor shall have an evaluation on file stating why a worksite was selected, as well as documentation that they have the following:

- a. **Provided Supervisor Orientation:**
